DECEMBER BLANKET DRIVE

No one walks alone.

100 **blanket & pillow sets for our neighbors living outside**

Part of Centipede's November–January winter outreach in Stockton. Our peer team will be out in the community all winter long — with hygiene kits and bottled water right alongside the blanket sets.

Peer-led. Community-rooted. All winter long.

This drive is **funded by Centipede Peer to Peer, LLC** as part of our winter outreach plan.
